

How to create a box creature for

LIGHT NELSON 2016 - Nocturnal Installation -

Representing The Brook Waimarama Sanctuary.

- Light Nelson July 8 - 12. 2016.

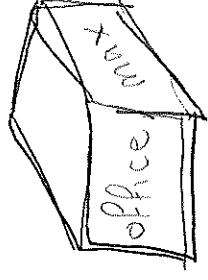

- Facebook for Nocturnal Installation.

is: Nocturnal - For Kids Light Nelson Project.

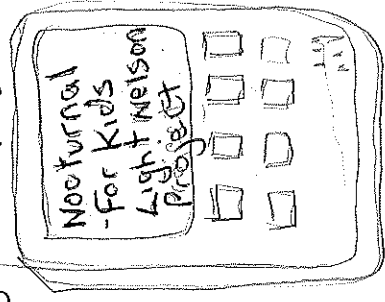

1/ Collect a free box and a starter kit for \$5 (worth \$12) kits have neon paints & products.

Collect from Office Max, Cnr of Rutherford & Selwyn st

! 150 kits available

2/ Look up: Nocturnal - For Kids Light Nelson Project on face book for ideas and lists of creatures to CREATE

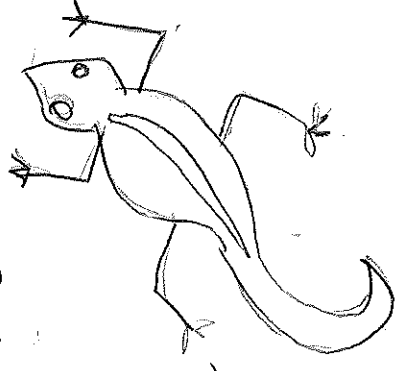

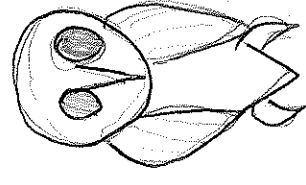

3/ Remember, The installation is representing the

Brook Waimarama Sanctuary. Choose a creature

from the list on facebook page

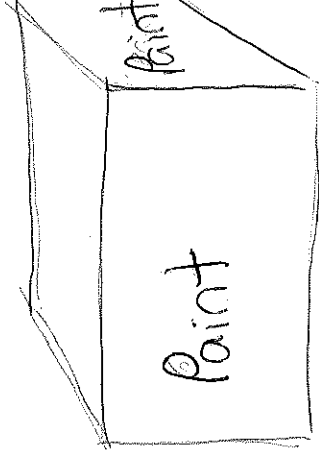

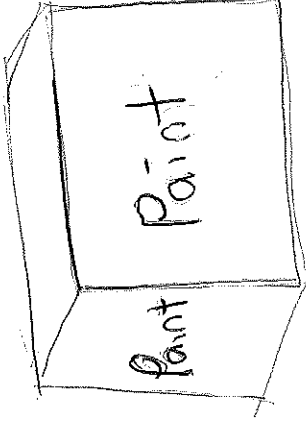

e.g Kiwi, ghecko, tuatara, weka, owl etc

4/ Get drawing and designing.

You only need to paint 4 sides of box

They are to be stacked.

5/ Have fun. Design all four sides, however you like.
Extend with cardboard and tape, if you want.

Imagination
Fun

idents

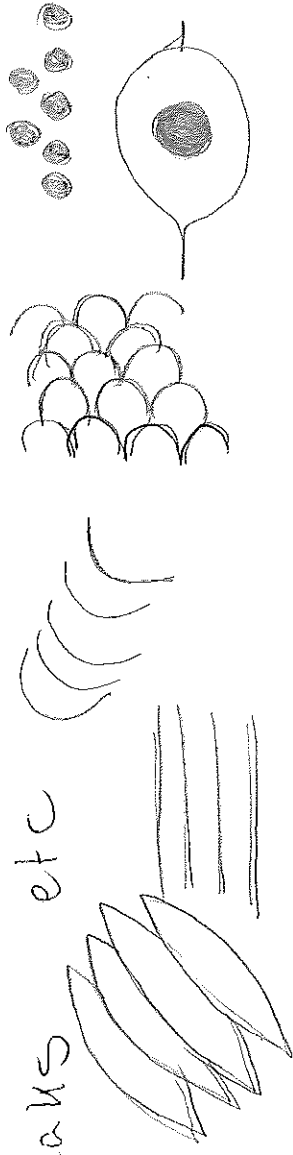

6/ Now paint in neon and UV products, supplied in kit (extra can be bought at office max).

The glue stick glows under black light. Use under paint for extra great effect.

Include design features: stripes, dots, scales,

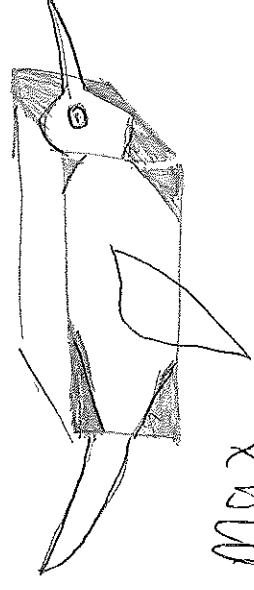

feathers, eyes, beaks etc

7/ Finish design. The unpainted cardboard

will not show under a black light.

But for extra great effect, paint the unpainted cardboard with black paint.

8/ Drop off box to office Max

Sign: Top of box with your name. You can collect again after festival from office max.

Check your fantastical design at office max under black light.

9/ Come to Light Nelson 8-12 July.
and see your creative Creature at WMIT site
